Dr. Stewart presented a six-page Head of School report showing enrollment at 13,390 students as of August 1, 2023 with 2344 special education students (17.5 %) and approximate 1200 new students. Dr. Stewart reported 97% of staff for the 2023-24 school year are returning staff members. Dr. Stewart reviewed the summer programs, celebrating the success of the summer reading program, which enabled 23 additional students to reach the third grade reading guarantee cut score. Dr. Stewart introduced Jamie Huff, a K12 Human Resources manager newly assigned to OHVA. Dr. Stewart noted the on-site Human Resources Manager role had not yet been filled. Dr. Stewart invited all board members to attend the board retreat on October 26-27, 2023.

b. Academic Report

i. Grant Summary

Shana VanGrimbergen presented a two-page summary of current grant funds, including ARP Homeless and ARP ESSER grant funding, and outlined the manner in which each grant is allocated. The leadership team is actively working on adjusting funding allocation to account for the end of ESSER funds, while seeking continue programs to the extent possible. OHVA will provide an update at the October board meeting.

Mr. Wilkinson reviewed a 15-page PowerPoint presentation highlighting summer academic programs and outlined the College Credit Plus program offerings. Typically, 300-400 students participate in CCP programs available at 49 colleges. Mr. Wilkinson celebrated a 94% passing rate for this past school year. Mr. Schafer asked whether students were charged for courses failed or not completed. Mr. Wilkinson noted while students are responsible, OHVA does not charge students who are economically disadvantaged.

Mr. Wilkinson outlined some of the provisions in House Bill 33 and their impact on OHVA, recognizing the school is still working through the several changes. Although the previous graduation rate calculation will continue to be on the report card, the report cards will also report a calculation of the graduation that excludes truancy withdrawal figures. Mr. Wilkinson reported OHVA has already training K-5 teachers as required by a state-wide shift to the "Science of Reading" and will continue to adjust its training and curriculum appropriately.

Mr. Lochbihler entered the meeting at 2:30 p.m.

Mr. Wilkinson outlined shifts in personnel for the middle school and high school, following the departure of the middle school principal and retirement of Kathy Pine, including promotion of the middle school assistant principal to middle school principal.

Mr. Wilkinson will report on the state report card at the October meeting. He currently has only raw data available, but indicated he expected to remain at two stars or increase to two and a half stars due to some particular gains. Mr. Schafer noted that, compared with other

schools sponsored by OCCS, OHVA data indicates OHVA students suffered fewer learning losses than brick and mortar schools.

c. Special Programs Report

Ms. McClure presented a four-page PowerPoint presentation on OHVA's various special programs, the administrators leading each program, and which students fall under each of those umbrellas. Ms. McClure the work of the staff in preparing back-to-school supplies and backpacks prepared for students in need. Mr. Schafer offered OCCS's assistance in providing additional needed items. Ms. McClure invited board members to participate in back-to-school picnics scheduled for September. Susie Ebie reported 2,000-4,000 individuals typically participate in family engagement events state-wide.

Mr. Vasquez left the meeting at 2:44 p.m.

Ms. McClure provided an overview about what data, reporting, updates she would provide the Board throughout the year. She offered to respond to specific questions or provide additional data regarding special programs upon request.

Mr. Vasquez rejoined the meeting at 2:46 pm.

6. OCCS Report

Mr. Schafer introduced Tara Jones, a new representative for OHVA. He thanked the OHVA team for their attendance at OCCS's e-school convocation. b. Resignation of Employees and Waiver of Paragraph 7.04 of the K12 Contract (motion)

Motion III: Resolution regarding Resignation of Employees and Waiver of Paragraph 7.04 of the K12 Contract

BE IT RESOLVED THAT the Board of Trustees of OHVA hereby approves the resignation of Carla Deliman, effective immediately, to allow her to accept a position with Stride, Inc. or an affiliate ("Stride"). The Board of Trustees of OHVA further authorizes the Head of School to hire an OHVA employee to fill the Middle School Assistant Principal with Stride and accepts the resignation of such employee, should the employee accept the Middle School Assistant Principal position.

Further, the Board of Trustees of OHVA hereby waives the application of Paragraph 7.04 entitled Non-Solicitation of the Third Amended and Restated Educational Products and Administrative & Technology Services Agreement between OHVA and K12 Virtual Schools LLC to allow Carla Deliman to be employed by Stride as a High School Assistant Principal and an undetermined OHVA employee to be employed by Stride as a Middle School Assistant Principal, exclusively for Ohio Virtual Academy. This waiver is revoked if Stride employs these individuals in positions other than those specifically listed herein.

Discussion: Dr. Stewart explained there were two open principal/assistant principal positions and, for the second position, the decision has not yet been finalized. Dr. Stewart requested authority to complete this hiring so that OHVA could fill the role prior to the October board meeting.

c. Revision to Employee Handbook – floating holidays (motion)

Motion IV: Resolution Regarding Revision to 2023-24 Employee Handbook

BE IT RESOLVED THAT the Board of Trustees of OHVA hereby approves the following change to the OHVA Employee Handbook, as recommended by the Head of School:

The following paragraph shall be added at the end of the Holiday Policy:

The Head of School, in consultation with the administrative team, shall have the discretion to award up to four half-day floating holidays per school year in recognition for work performed by employees above and beyond the employee's job responsibilities or which required time spent outside work hours. Floating holidays will be scheduled in a manner that does not interfere with instructional time or impact academic growth.

Discussion: Mr. Davenport verified he met with Dr. Stewart to discuss the proposed revision to the handbook. Ms. Vassar confirmed she prepared the proposed language. Dr. Stewart clarified these floating holidays would be used as a reward for extra work done outside the work day, but would not be an entitlement. She expects they would predominately be used to compensate for time spent in testing and graduation. Ms. Lopez asked how the holidays would be administered to avoid disruption to school operations. Dr. Steward explained they would likely be used on Fridays when there is no instruction, so there would not be disruption to students. Mr. Norton requested Dr. Stewart report on usage of these days to the Board at the end of the year. Mr. Vasquez reminded the Board they could remove this policy in future if usage was not effective or otherwise as expected.

9. Compliance:

Mr. Vasquez reminded the Board the reason the Stride contract was extended was because of the term of the OCCS contract, which expires June 30, 2025. Mr. Vasquez will determine, in consultation with counsel, whether an ad hoc contract committee should be convened for negotiations with OCCS.
